Hockey Tournament*

December 20 & 21, 1989

Verdun Auditorium

Message from **Brian Hayward**

It is the dream of most young, Canadian boys to play in the National Hockey League. At the age of 16, promising hockey players must make a difficult decision that will have considerable impact on their future. One option is to accept an invitation to a Major Junior A hockey camp which, unfortunately, would make them ineligible to accept an athletic scholarship from an American University. The alternative is to decline the invitation to the Junior A camp, retain their NCAA eligibility and hope that after graduation from high school the American colleges come knocking at their door.

I chose to continue my academic studies, while at the same time playing high-exposure, high-calibre hockey and keep that boyhood dream of mine alive. As far as I am concerned, for a 16-year-old boy, there is only one possible decision to make ... you have to keep your options open!

The best four years of my life were spent at Cornell University. It was tough; I competed academically against the top 1% of American high school graduates. The curriculum was demanding, and, despite the horror stories you hear about the quality of education most "jocks" receive, no special treatment was afforded to student athletes.

My typical day at Cornell would include classes from 9:00 a.m. to 11:00 a.m., and from 1:00 p.m. to 4:00 p.m. Practise would run from 5:00 p.m. to 6:30 p.m., with a team "training meal" immediately afterwards. The rest of the evening was spent studying, completing assignments, or socializing, if time allowed. Most varsity hockey games (as well as any travel that naturally accompanies road trips) are played Friday and Saturday. The schedule forces the player to be very disciplined ... no time management course is necessary after four years of varsity hockey.

Hockey is a proud tradition at Cornell. Obtaining tickets for a Canadiens-Nordiques game is a piece of cake compared to what the Cornell hockey

fan must endure. Ticket sales resemble those for a rock concert. At the beginning of the semester, students begin lining up on a Thursday night (pillow and sleeping bag in hand) for 2000 season tickets that will not be available until Saturday morning. I'm told professors negotiate for their season hockey tickets as part of their total compensation package, with the prime seats near centre-ice being owned exclusively by those staff members with tenure.

Lynah Rink has been sold out for hockey games as far back as anyone can remember. The "Lynah faithful" number around 6000, including 500 standing-room for each game. Ask any player from an opposing team: when you play at Cornell, you are not going to enjoy an easy night. Most would describe Lynah as a very hostile environment. Many teams are intimidated right out of the game before the introductions are even completed. As much as the actual hockey itself, the antics that went on in the stands of Lynah Rink are among my fondest memories of college.

Because combining a varsity sport with a tough academic schedule was so challenging, the Cornell experience was the most rewarding time of my life. I am prouder of my graduation from Cornell than I am of any other personal accomplishment.

I am 29 years old now, and am currently playing my eighth year in the NHL. Having already surpassed the average career length of four and one-half years, I realize that one day in the all-too-near future, my hockey career will be over. In some strange way, I look forward to that day and the new challenges it will present. I'm confident that my academic background has helped prepare me for the future, whatever it may hold. And because of my four years at Cornell, many options remain open to me. I'm very thankful that I made the right decision when I was 16 years old.

*Good Luck to All Competitors in the
5th Annual Selwyn House School
1989 Varsity Hockey Tournament*

Advantages:

- 1 CONCEPT II's high impact construction prevents injuries to eyes, nose, mouth and teeth.
- 2 CONCEPT II provides a fog-resistant super clear view of the game.
- 3 CONCEPT II's greater flow-through ventilation allows you all the oxygen you need.
- 4 CONCEPT II's reinforced ribs, especially in the lower part of the shield-deflect sticks and pucks from the mouth area.
- 5 CONCEPT II's clear precision optics offer secure protection without wires to obstruct your view.
- 6 CONCEPT II is also recommended for the game of Ringette, Ball Hockey, Box Lacrosse and Broomball!

Disadvantages:

- 1 Not everybody wears one.

The School was founded in 1908 by Mr. Algernon Lucas, a graduate of Selwyn College, Cambridge, to educate boys to 13 years of age. Its first location was in downtown Montreal, on MacKay Street, and in 1930 it moved to more spacious quarters on Redpath Street. Upon the death, in 1945, of its fourth Headmaster, Mr. Geoffrey H. Wanstall, the ownership of the School was transferred to the Selwyn House Association, a newly created group of Old Boys and interested parents. In 1960 the building housing Westmount High School was acquired and the School moved into these, its present quarters. The relocation not only provided expanded, first-rate facilities, but enabled the School to offer instruction beyond the junior high school level, through to matriculation and university entrance. With the acquisition of a new building in 1985, the School increased its floor space by 50 percent while remaining committed to maintaining current enrollment of 516 students.

Selwyn House seeks to prepare boys of good intelligence, who exhibit good citizenship, for the imaginative, reasonable and responsible exercise of their talents and facilities.

Again, this year we extend a warm welcome to all participants, players' families and friends at the Fifth Selwyn House Senior Invitational Hockey Tournament.

It is our hope that all will enjoy and benefit from the friendly competition. We look forward to the display of individual and team play attended by exemplary sportsmanship.

Please accept our best wishes for a Happy Holiday.

“ You Gotta Love It!”

David Cude, 1989

A profile of: COACH - DAVID CUDE

David Cude graduated from Noranda High School in the Spring of 1961. In 1963 he resumed his studies at MacDonald College in St. Anne de Bellevue in physical education. From 1965 to 1969, David accepted a position with the Chateauguay Valley School Board. He taught elementary physical education at Marty Gardner, Julius Richardson, Centennial Park, and Robert A. Jobber Elementaries.

David returned to university to finish his studies in education at Bishop's University in Lennoxville, Quebec, where he graduated in 1971. In the Fall, 1971, David was hired by former headmaster, Mr. Alexis Troubetskoy, to teach Grades 5, 6 & 8 and physical education, including hockey.

David's love and interest in hockey dates back to the days when his father, Wilf Cude, left home from Noranda every September to play professional hockey. In 1930 - 1931, he played for the famed Philadelphia Quakers before making his N.H.L. debut with the Detroit Red Wings in 1932 - 1933. Mr. Cude's best years came between 1934 - 1940 as the starting goaltender of the Montreal Canadians, where he was a two time N.H.L. Allstar.

David's career cannot match that of his father's but his enormous knowledge and enthusiasm when talking hockey can entertain any hockey buff. Dave's own hockey success happened young as a member of the Noranda Pee-Wee Allstars which won the All Northern Ontario championship in 1956. This was a proud moment for Dave as he still remembers the great talent on the team and the numerous members of the group that went on to play professional hockey such as Pit Martin.

David has coached soccer and hockey at Selwyn House. He has also taught weight training during the Spring semester. His players have enjoyed his fair and mild but very satirical approach to the game.

Most recently, his (pee-wee) elementary school hockey teams has done very well, including numerous tournament victories.

I have come to know David as a very caring and honest individual who is dedicated to his work. You can always count on David to assist or volunteer at any function. His wit, expertise and enthusiasm has been extremely entertaining at the Selwyn House Varsity Hockey Tournament, where you can usually find him controlling or holding up the bar. Dave, your efforts and support over the years at our Tournament have not gone unnoticed. Thanks.

Gryphon Captain - Marc Anderson

Age: 16, 6' - 180lbs, Beaconsfield, QC

Marc is in his second year at the Varsity level. Marc's strengths include his ability to play sound defensive hockey. When you see a counter-attack situation by our forwards, it is usually the result of Marc's ability to guard our blue line. In addition, Marc has given the team tremendous leadership. His efforts are totally committed to the Gryphon Programme. His leadership and play will be missed next year. Good luck Marc.

Tournament Rules

1. Each player must be **17 years old or less** (1972 or later) and a bona fide member of that school team.
2. Each team may dress a maximum of 20 players (18 plus 2 goalies).
3. C.A.H.A. rules are in effect.
4. Minor penalties are 1.5 Minutes Stop-Time. Major penalties are 5 Minutes Stop-Time.

NOTE: Any major penalty for **high sticking, butt ending, spearing, slashing, cross checking or fighting** will result in a Tournament suspension. The referees' call is final.

5. Full face masks and **neck protection** is mandatory.

6. A player receiving a minor penalty at the end of a game, or prior to the conclusion of the first overtime, will not be eligible to play in the overtime until his penalty is served. (The penalty must be served completely.)
7. Overtime: If at the conclusion of regular time and the score is tied. The teams will switch ends and participate in a sudden death 10 minute running time period. If, at the end of this period, the score is still tied, we will have the teams participate in a 5 minute overtime period in which we eliminate a player from each side every minute.

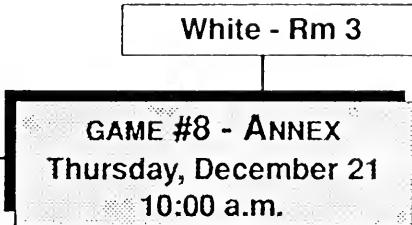

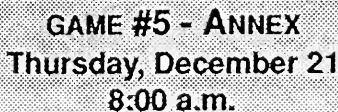

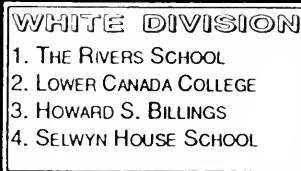

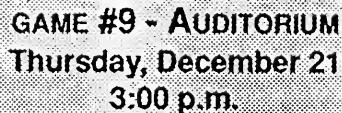

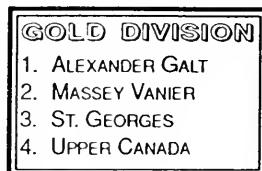

i.e.	1st minute	5 vs 5 plus the goalie
	2nd minute	4 vs 4 plus the goalie
	3rd minute	3 vs 3 plus the goalie
	4th minute	2 vs 2 plus the goalie
	5th minute	2 vs 2 plus the goalie

Play will resume after each stopping with a face off at center ice. The time between each minute will be running time. If we still have a tie, a shoot-out (sudden death) will decide the contest.

8. 3-Man referee system will be used.
9. All teams must supply their **own towels** and remove all equipment from their dressing rooms after each game.
10. Please bring **two sets of sweaters** (dark and white).
11. The draw is divided based on equal division of teams in terms of talent and location of league.
12. We are proud to have your school participate; we hope your players appreciate the efforts of the organizing committee and that they follow our Tournament Guidelines.
13. Please remember our **Players' Meal on December 21** from 11 a.m. to 2:00 p.m. (This meal is pre-paid.)
14. The **Coaches' Reception** is at 12:30 p.m. on December 21. Each coach will receive a gift from the Headmaster.

THE NEXT GENERATION

EVERY FEW YEARS AN INNOVATION IN HOCKEY EQUIPMENT APPEARS
THAT REVOLUTIONIZES THE WAY THE GAME IS PLAYED.

The Tuuk® moulded skate blade was one, the Cooperall® one piece girdle protection was another. Next came the Itech Face-Off® polycarbonate face shield.

Today Itech does it again... with Jock-Plus®, a simple concept whose time has come. The Jock-Plus® provides all the protection an aggressive player needs, yet it alone replaces three cumbersome pieces of equipment. With on cool, comfortable and easy to care for garment, you've got an inner jock - an outer pocket for a protective cup, plus Velcro® tabs that hold your socks up. And while everyone else is fumbling in the dressing room, you'll be out on the ice ready for action, wondering what took them so long.

The Jock-Plus®. It's the next generation. And it's from Itech.
